ACE 2008

Network Usage Guidelines

The network resources of Keio University are provided to support conference activities of ICAT2008/ACE2008.

Peer-to-Peer (P2P) file sharing software,
copyright / licensing violations
and any other illegal access are prohibited on this network.

E-SSID: ICATACEhy2008

WEP: hiyoshi2008

If you need a stable network connection,
you can use a network port of your chair at Fujiwara Hiroshi Hall.

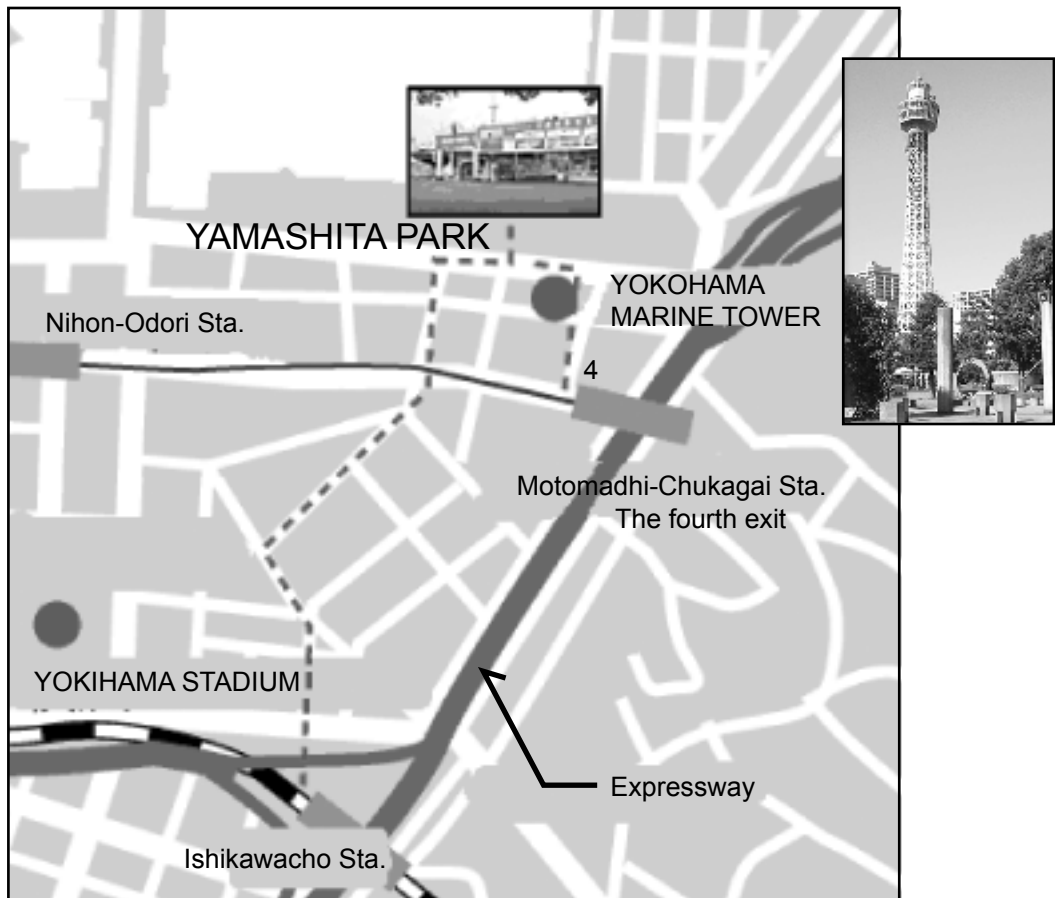

We can provide an Ethernet cable to use the network port.

At the end of the conference,
please return the cable to the reception desk.
